BAB I. PENDAHULUAN: MAKNA DAN TUJUAN PENELITIAN	
A. Apa Yang Dimaksud Dengan Penelitian?	1
1. Membuat Pertanyaan	1
2. Mengumpulkan Data	2
3. Menyajikan Jawaban	3
B. Karakteristik Penelitian	4
1. Kategori Umum	4
2. Kategori Khusus	4
C. Mengapa Penelitian Penting?	4
1. Menambah Pengetahuan	4
2. Memperbaiki Praktik	5
3. Memberi Informasi Kebijakan	5
4. Membangun/Mengembangkan Keahlian Peneliti	5
BAB II. MENGIDENTIFIKASI MASALAH PENELITIAN	
A. Apa Yang Dimaksud Dengan Masalah Penelitian?	7
1. Bacaan	8
2. Pertemuan Ilmiah	8
3. Pernyataan Pemegang Kekuasaan (Otoritas)	8
4. Pengamatan(Observasi)	8
5. Wawancara Dan Penyebaran Kuesioner	9
6. Pengalaman	9
7. Intuisi	9
B. Bagaimana Mengidentifikasi Masalah Penelitian?	10
C. Bagaimana Merumuskan Masalah dan Mendefinisikan Variabel?	12
a. Rumusan Masalah	13
1. Rumusan Masalah Deskriptif	13
2. Rumusan Masalah Komparatif	14
3. Rumusan Masalah Asosiatif	14
b. Rumusan Masalah Yang Baik	16
c. Variabel Penelitian	17
1. Jenis Variabel Berdasarkan Skala	18
2. Jenis Variabel Berdasarkan Sifat	20
3. Jenis Variabel Berdasarkan Fungsi	21
d. Hipotesis Penelitian	23
BAB III. MELAKUKAN KAJIAN PUSTAKA	
A. Apa Yang Dimaksud Dengan Teori?	25
1. Teori Dalam Penelitian Kuantitatif	25
2. Teori Dalam Penelitian Kualitatif	26
B. Tingkatan Dan Fokus Teori	26
C. Manfaat Teori Dalam Penelitian	27
D. Bagaimana Melakukan Kajian Pustaka?	28

1. Mengidentifikasi Istilah Kunci	29
2. Menelusuri Pustaka Topik Kajian	29
3. Mengevaluasi Secara Kritis	31
4. Menyusun Pustaka	31

BAB IV. MEMILIH DAN MENETAPKAN DESAIN PENELITIAN	
A. Desain Deskriptif	40
1. Penelitian Survei	42
2. Penelitian Kasus	42
3. Penelitian Perkembangan	43
4. Penelitian Tindak Lanjut	43
5. Penelitian Analisis Isi	44
6. Penelitian Studi Waktu dan Gerak	44
7. Penelitian Kecenderungan	44
B. Desain Eksperimen	44
1. Pre-experimental Design	45
2. True Experimental Design	47
3. Quasi Experimental Design	48
4. Factorial Design	50
C. Desain Korelasi	51
1. Korelasi Penjelasan	52
2. Korelasi Prediksi	53
D. Deskriptif Kualitatif	54
BAB V. MENETAPKAN CARA MEMILIH SAMPEL	
A. Teknik Sampel Acak (<i>Random Sampling Technique</i>)	57
1. Acak Sederhana (<i>Simple Random Sampling</i>)	57
2. Acak Berjenjang (<i>Stratified Random Sampling</i>)	59
3. Acak Kelompok (<i>Cluster Random Sampling</i>)	60
4. Acak Dua Tahap (<i>Two Stage Random Sampling</i>)	61
B. Teknik Sampel Tidak Acak (<i>Non-Random Sampling Technique</i>)	61
1. Sampel Sistematis (<i>Systematic Sampling</i>)	62
2. Sampel Bertujuan (<i>Purposive Sampling</i>)	62
3. Sampel Kesukaan (<i>Convenience Sampling</i>)	63
4. Sampel Kuota (<i>Quota Sampling</i>)	64
5. Sampel Keseluruhan (<i>Total Sampling</i>)	64
5. Sampel Bola Salju (<i>Snowball Sampling</i>)	64
BAB VI. MEMILIH DAN MENETAPKAN TEKNIK PENGUMPULAN DATA	
A. Data Kuantitatif	67
1. Tes	66
2. Angket	76
a. Prinsip-Prinsip dan Prosedur Penyusunan Item Pertanyaan Angket	76
b. Jenis dan Bentuk Angket	78
c. Kata Pengantar Dalam Angket	81
B. Data Kualitatif	81
a. Observasi	81
b. Wawancara	83

LAMPIRAN	139

Prof. Dr. Indawan, M.Pd was born on March 23, 1967 in Lahat, South Sumatera, where he spent his elementary, junior and senior high schools. He completed his undergraduate study with his *sarjana* degree in 1992, then he was appointed as assistant lecturer at STISIPOL *Candradimuka* Palembang in 1993, a year after obtaining his *sarjana* degree. In 1995, he dedicated himself to teach English at the Faculty of Teacher Training and Education, *Universitas Muhammadiyah Palembang*. Up to the present time, he is a lecturer at English Education study program at this university. In September 1998, he pursued his master (S2) and continued his doctorate study at the graduate program in the *Universitas Negeri Malang*. He completed his master and doctorate studies with the scholarship known as BPPS.

After completed all degrees, he is nominated as the professor of English in *Universitas Muhammadiyah Palembang* on January 2011. From August to December 2011, he got

scholarship from Directorate of Higher Education (DIKTI) to have his Postdoctoral Study under the Academic Recharging (PAR) program to Ohio State University (United States of America/USA) in the school for teaching and learning. In addition to all, he also actively publishes ideas and opinions in national and international journals as well as being invited to be the keynote speaker in both national and international conferences.

Mgs. Sulaiman, S.Pd., M.Pd was born on October 3, 1979 in Palembang, South Sumatera. He completed his high school in 1999. He continued his *sarjana* degree in 2004 while in 2001 he completed his informal education for the PG in Gloria English Course. In 2014 he hold his master degree from *Universitas PGRI Palembang*. Along with his education, he has several experiences in teaching English starting from courses such as FUN ECC and Gloria English Courses in Palembang. Not only that, his passion of teaching gave him experiences not only as a teacher in courses but also in senior high school such as SMA Negeri 12 Palembang in 2006. His experience as lecturer started in year of 2006 in D1 /El-Rahma, D1/Dian Nusantara (2008-2009), Polytechnic Darussalam (2008-2014), Polytechnic Darussalam (2008-2014), Marine School of Gani Nusantara (2009), Polytechnic Sekayu (2013), University of Tamansiswa Palembang (from 2014 to now), and in *Universitas Muhammadiyah Palembang* from 2015 as his home base teaching up to now. Besides his passion in teaching, he is always dedicated his time for reading and writing. It is proved with some books that he has published with ISBN.

Rini Susanti, S.Pd., M.A was born on September 10, 1984 in Palembang, where she spent her elementary, junior and senior high schools. As soon as she completed her *sarjana* degree in 2007, he was directly appointed to be the assistant of lecturer at the Faculty of Teacher Training and Education, *Universitas Muhammadiyah Palembang* because of her achievement as the graduate with the highest GPA in the university. She started her journey of looking for the overseas' scholarship in 2010. At first, she failed to get the scholarship from Directorate of Higher Education (DIKTI) in 2010 due to incomplete requirement. Feeling hopeless, she tried to apply for Australian Development Scholarship (ADS) and in the same time applied for FULBRIGHT. She succeeded to get both scholarships and decided to choose FULBRIGHT as her future step. In 2011, she continued her master degree to Indiana University of Pennsylvania (United States of America/USA) in TESOL under FULBRIGHT scholarship. She graduated in 2013 with an honor from *Phi*

Kappa Phi as the graduate with the perfect GPA of 4.00 in the US' university. She dedicated herself to English in *Universitas Muhammadiyah Palembang* by applying all what she has got from US' universities and introduced culture and academic life of abroad universities to her students in order to motivate her students to study abroad. There is no time without learning for her that makes her keep reading and continuing research. As a result, she has participated in the selected national and international conferences as well as publishing articles in both national and international journals too.
